TO: Commander(s)

SUBJECT: Taste Test of Heater Meals Plus

In an effort to provide quality meals to the members who are assigned on posts during demonstrations, which may be long in duration, the department is seeking out vendor providers. Heater Meal Plus is one such vendor. A selection of their meals will be made available to the department for field testing on Wednesday, April 11, 2001. To ensure a fair representation of test-tasters, please designate one official of your command to respond to ROC North, 801 Shepherd Street, NW, on Wednesday, April 11, 2001, at 1000 hours, to obtain the test meals for disbursement to the members. It is suggested that sworn members of the CDU and patrol units be the primary targets for the test. Ms. Minor will demonstrate the proper preparation of the product, and issue survey forms that shall be completed by the members eating the meals. The surveys shall be returned to Ms. Minor at ROC North by 1200 hours, on Monday, April 16, 2001.

Ms. Minor will be the point of contact in this matter and she can be reached on (202) 576-6600.
